> ATLANTIC AND GREAT WESTERN RAILHOAD. --- A meeting of the Board of Directors of the Atlantic & Great Western Railroad was held at this place on Thursday last, the 4th inst. It was a full and important meeting, and much interest was felt by the friends of the read in its doings and results. Matters of great importance were brought up for its action. Among others, the entire road in our part of the State is so far completed that the settlement between the contractors and company was under consideration, and in a final and satisfactory settlement to all par-ties---the company receiving the road from the contractors. From this date, therefore, the former take the whole control of the

the former take the whole control of the works in this State.

The confinuation of the line in Pennsylvania, to a junction with the Sunbury & Erie Road, is to be prosecuted without delay. Chief Engineer Kennard left our place on Friday last for New York, to hasten the immediate shipment of the balance of the rails necessary to the completion of this road to that point.

necessary to the completion of this road to that point.

The further prosecution of the enterprise in Pennaylvania and Ohio, to a connection with the Cleveland roads, and to Akron, will be urged without delay, under the new contracts now closed by the companies with James McHenry, Esq., of Liverpool, England. The work is to be under the immediate direction of Mr. Kennard, as Engineer-in-Chief of the company, and Dr. S. W. Streator, the late contractor, as Superintendent of the works.

Mr. Kennard hopes to open the road for

Mr. Kennard hopes to open the road for traffic to Cleveland and Akron, Ohio, early in the Fall, which he will, no doubt, be able to do, as he will be promptly and fully sustained by the able capitalists in England

France and Spain.
